MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each.

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widows of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

GENERAL ORDER.

HORSE-GUARDS, 1st May, 1823.

THE Board of Customs having established the annexed Regulations, relative to the employment of the Military in aid of the Revenue Coast Guard, the Commander in Chief desires that they may be strictly complied with by the Troops who shall, from time to time, be placed upon that Service.

By Command of His Royal Highness,
The Commander in Chief,
HENRY TORRENS,
Adjutant-General.

COAST-GUARD OFFICE, 27th March, 1823.

SIR,

THE following Regulations, relative to the employment of Dragoons in aid of the Revenue Coast Guard, are in future to be observed:

1. In all cases where Dragoons may be stationed in or near a District, and where their assistance shall appear to the Inspecting Commander to be necessary for the more effectual guard of the stations under their inspection, they are to make application in writing to the Commanding Officer of the Regiment to which the Troops belong for such a number as can be spared.
2. Whenever the Service shall require the Troops to be called out, the same is only to be done under the direction of the Chief Officer of the Station nearest to which they shall be quartered.
3. The Riding Officer attached to the Station is the person by whom the Chief Officer's directions are to be conveyed to the Military, and in whose company they are to proceed to patrole, or to render the required assistance.

I have therefore to desire, that you communicate the same to the several Chief Officers and Riding Officers under your inspection, and direct their strict compliance with the second and third articles accordingly.

You will understand that these Instructions relate merely to all future arrangements, and are not intended to interfere with the distribution of the Military as at present arranged, without a previous Report to this Office of any alteration you may think proper to suggest.

I am, &c.

(Signed) W. BOWLES.

BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorise, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each.

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widows of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

GENERAL ORDER.

HORSE-GUARDS, 1st May, 1823.

THE Board of Customs having established the annexed Regulations, relative to the employment of the Military in aid of the Revenue Coast Guard, the Commander in Chief desires that they may be strictly complied with by the Troops who shall, from time to time, be placed upon that Service.

By Command of His Royal Highness,
The Commander in Chief,
HENRY TORRENS,
Adjutant-General.

COAST-GUARD OFFICE, 27th March, 1823.

SIR,

THE following Regulations, relative to the employment of Dragoons in aid of the Revenue Coast Guard, are in future to be observed:

1. In all cases where Dragoons may be stationed in or near a District, and where their assistance shall appear to the Inspecting Commander to be necessary for the more effectual guard of the stations under their inspection, they are to make application in writing to the Commanding Officer of the Regiment to which the Troops belong for such a number as can be spared.
2. Whenever the Service shall require the Troops to be called out, the same is only to be done under the direction of the Chief Officer of the Station nearest to which they shall be quartered.
3. The Riding Officer attached to the Station is the person by whom the Chief Officer's directions are to be conveyed to the Military, and in whose company they are to proceed to patrole, or to render the required assistance.

I have therefore to desire, that you communicate the same to the several Chief Officers and Riding Officers under your inspection, and direct their strict compliance with the second and third articles accordingly.

You will understand that these Instructions relate merely to all future arrangements, and are not intended to interfere with the distribution of the Military as at present arranged, without a previous Report to this Office of any alteration you may think proper to suggest.

I am, &c.

(Signed) W. BOWLES.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorised Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General, for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each.

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widows of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

Warrant, authorizing Exceptions to be made in certain Cases from the Rules prescribed by His Majesty's Warrant, dated 6th March, 1823, relative to the Mode of issuing the Pay, Half-Pay, Pensions, and Allowances of Officers of the Army, and their Relatives.

GEORGE R.

WHEREAS by Our Warrant bearing date the 6th March last, We were pleased to direct, that all Persons borne on Our Establishments, of Unattached General Officers, of Reduced and Retired Officers, of Widows of Officers of Our Army and Marines, of Military Allowances, of Pensions for Wounds, of Royal Bounties, and of Allowances on the Compassionate List, should from the 25th of December, 1822, receive their Pay, Half Pay, Pensions, or Allowances in the Currency of Great Britain or Ireland, accordingly as they might be resident, in the one Country or other, at the time when such Pay, Half-Pay, Pensions or Allowances should become payable; And Whereas, several of the said Persons who were borne upon our said Establishments for that part of Our United Kingdom called Great Britain in the year 1822, have represented unto Us, that they had been allowed to receive their Pay and Allowances in British Currency, although they were resident in Ireland, and have most humbly besought us, that We would be graciously pleased to exempt them from the operation of the Regulations established by Our said Warrant, and to allow them to continue to receive their Pay and Allowances in British Currency, which We thinking reasonable are pleased to consent to; Our Will and Pleasure therefore is, that all Officers and others, who were borne on our said Establishments of Great Britain for the year 1822, and who being resident in Ireland received their Pay or Allowances in British Currency, shall continue to receive the same in that Currency, notwithstanding they may reside in Ireland.

It is however Our Will and Pleasure, that all the Rules and Regulations prescribed by Our said Warrant, shall be strictly adhered to in all cases, not excepted by this Warrant.

And for so doing this shall be as well to Our Paymaster General, Our Secretary at War, Our Commissioners for Auditing the Public Accounts, and all others whom it doth, or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace, this 25th day of June, 1823, in the fourth year of Our Reign.

By His Majesty's Command,
(Countersigned) PALMERSTON.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, "that persons receiving, or paying, money, for soliciting offices, and entering into negociations, or pretended negociations, relating thereto, will be guilty of misdemeanour; and that persons opening, or advertising houses, for transacting business relating to the Sale of Offices, will be guilty of a misdemeanour."

By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulation made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*"; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations (from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contrive, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorised Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, *not being an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds, and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each.

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widows of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

Warrant, authorizing Exceptions to be made in certain Cases from the Rules prescribed by His Majesty's Warrant, dated 6th March, 1823, relating to the Mode of issuing the Pay, Half-Pay, Pensions, and Allowances of Officers of the Army, and their Relatives.

GEORGE R.

WHEREAS by Our Warrant bearing date the 6th March last, We were pleased to direct, that all Persons borne on Our Establishments, of Unattached General Officers, of Reduced and Retired Officers, of Widows of Officers of Our Army and Marines, of Military Allowances, of Pensions for Wounds, of Royal Bounties, and of Allowances on the Compassionate List, should from the 25th of December, 1822, receive their Pay, Half Pay, Pensions, or Allowances in the Currency of Great Britain or Ireland, accordingly as they might be resident, in the one Country or other, at the time when such Pay, Half-Pay, Pensions or Allowances should become payable; And Whereas, several of the said Persons who were borne upon our said Establishments for that part of Our United Kingdom called Great Britain in the year 1822, have represented unto Us, that they had been allowed to receive their Pay and Allowances in British Currency, although they were resident in Ireland, and have most humbly besought us, that We would be graciously pleased to exempt them from the operation of the Regulations established by Our said Warrant, and to allow them to continue to receive their Pay and Allowances in British Currency, which We thinking reasonable are pleased to consent to; Our Will and Pleasure therefore is, that all Officers and others, who were borne on our said Establishments of Great Britain for the year 1822, and who being resident in Ireland received their Pay or Allowances in British Currency, shall continue to receive the same in that Currency, notwithstanding they may reside in Ireland.

It is however Our Will and Pleasure, that all the Rules and Regulations prescribed by Our said Warrant, shall be strictly adhered to in all cases, not excepted by this Warrant.

And for so doing this shall be as well to Our Paymaster General, Our Secretary at War, Our Commissioners for Auditing the Public Accounts, and all others whom it doth, or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace, this 25th day of June, 1823, in the fourth year of Our Reign.

By His Majesty's Command,
(Countersigned) PALMERSTON.

GEORGE R.

WHEREAS We think it proper that a more adequate Provision shall be made for the support and maintenance of certain Serjeants of Our Disembodied Militia of Ireland, who have been discharged in consequence of the late Reduction of the Establishments of the said Corps, than the existing Regulations of the Militia admit: Our Will and Pleasure is, that every Serjeant so discharged in consequence of the aforesaid Reduction, and who shall have served Twenty Years as Serjeant in the Militia, or in a Regular, or Fencible Corps, shall, if regularly recommended by the Colonel or Commandant of the Corps, receive a Pension of Twelve Pence per diem, although not rendered incapable of Service by age or infirmity. But We are pleased distinctly to declare that this Our Warrant shall apply only to the Serjeants of the Disembodied Militia of Ireland who have been discharged in consequence of the late Reduction of the Establishment of that Force; and that all Serjeants of such Militia, who may be discharged after this date, shall be entitled to Pension only under the Provisions of Our Warrant of the 28th February, 1814, which is not intended to be cancelled or annulled by this present Warrant.

And it is Our further Pleasure that this Our Warrant shall be duly ob-

served by the Commissioners of Chelsea Hospital, and by all others whom it doth or may concern.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices*, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

CIRCULAR. (Copy.)

HORSE GUARDS, 26th August, 1823.

SIR,

DOUBTS having arisen as to the powers which Courts-Martial possess of investigating the general character of a Prisoner under trial, I have the Commander-in-Chief's Commands to acquaint you, for your future guidance, and that of the Officers of the Regiment under your Command, that it is open to the Court, before passing Sentence, to inquire what is the general character of the Prisoner under trial, from the individual Officer who may, from his situation in the Corps, be most competent to answer that question; such individual to be at liberty to speak from his own general knowledge of the Prisoner's character, or, in order to refresh his memory, to refer to the Regimental Defaulter Book; but in no case can the circumstances relating to offences for which the Prisoner may have been formerly tried, become the subject of renewed investigation.

I have, &c.

(Signed) H. TORRENS,
Adjutant-General.

To the Officer Commanding Regiment

No. 405.

GENERAL ORDER.

By Command of His Royal Highness,
The Commander in Chief,
HENRY TORRENS,
Adjutant-General.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

GEORGE R.

WHEREAS We have judged it expedient, that, in future, Soldiers, who shall be discharged from Our Regular Forces, and shall have claims to the Out-Pension of Our Royal Hospital at Chelsea, arising from Service alone, shall, upon Reports from the Commanding Officers of the Regiments to which they respectively belong, confirmed by the Discharges of the Men, be placed on such Out-Pension without requiring their personal appearance before the Commissioners of Our said Hospital, provided their claims to Pension shall, upon investigation, be found correct. Our Will and Pleasure is, and We hereby direct and order, that, from the twenty-fourth day of August, 1823, inclusive, the Commanding Officers of Our Regular Corps of Cavalry and Infantry do, in the case of Men discharged under the circumstances above mentioned, immediately transmit Reports upon their cases, accompanied by their discharges in the proper Form, to the Commissioners of Our Royal Hospital at Chelsea, and We hereby authorize The Commissioners of Our Said Hospital, upon receipt of such Reports and Discharges, to dispense with the personal appearance of the Soldiers so discharged, and to consider their claims to Out-Pension, and to assign to them such Rate of Pension as their respective Services may, under existing Regulations, appear to the said Commissioners to entitle them to.

And for so doing, this shall be a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace this 19th day of August, 1823, in the Fourth Year of Our Reign.

By His Majesty's Command,

PALMERSTON.

CIRCULAR. 493.

WAR-OFFICE, 12th November, 1823.

SIR,

WITH reference to the Circular Letter dated the 29th September last, relative to Men discharged in consequence of length of service, I am directed to state, that the usual Marching Allowance to such Men, their Wives and Families, may be issued according to the Regulations in force in Ireland in that respect, and may be charged in the Regimental Pay List.

A Report of such Payments should invariably be transmitted to the Commissioners of Chelsea Hospital, agreeably to the Form prescribed by the said Circular Letter; in which Report are to be inserted the Dates to which the Marching Allowances of the Men shall have been paid, and from which thereafter their Pensions will commence.

An additional Form of Report is herewith enclosed, which it has been found necessary to substitute for that above alluded to, in the cases of Men who will have to proceed to their homes partly by sea, and whose Marching Allowance is to be issued at the Regiment only to the places of their disembarkation.

The remainder of the Allowance, up to the dates of the arrival of each Man at their own homes, is to be issued by the Agent or Paymaster of a District (as the case may be); and in reckoning the period for which this further Allowance is to be paid, the periods the Men are expected to be on board ship, and on the march subsequently to their landing, are to be taken into account.

A Statement is annexed showing the probable Number of Days of the Passages from and to most of the Ports between England, Ireland and Scotland, and which may be taken for your guidance accordingly.

You will of course be aware that the Pension of the Men will commence from the dates subsequent to those up to which it has been calculated they will receive the Marching Allowance to their Homes.

I am, &c.

(Signed) L. SULIVAN.
